

Certificate of Approval

This is to certify that the Management System of:

SAFRAN LANDING SYSTEMS

Site Jean-Paul Béchat, Inovel Parc Sud, 7 rue Général Valérie André, 78140 VELIZY-VILLACOUBLAY,
France

has been approved by LRQA to the following standards:

AS 9100D (technically equivalent to EN 9100:2018 and JISQ 9100:2016)

This certification has been performed in accordance with the requirements of EN 9104-001:2013

Lloyd's Register Quality Assurance is accredited under the IAQG ICOP scheme

Certification Structure – Complexe

Gilles Bessiere - Area Technical Manager

Issued by: LRQA France SAS

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

Issue date: 10 September 2018

Re-issue date: 10 September 2018

Expiry date: 9 September 2021

Certificate identity number: 10124208

Original approval(s):

AS 9100 10 September 2012

Approval number(s): AS 9100 - 00015272

The scope of this approval is applicable to:

Design, development, manufacture, assembly and associated support activities
of two value streams for military and commercial aircraft :

- Landing gear systems (campus n° 1),
- Wheels, brakes, and systems equipments (campus n° 2).

Support activities at customer assembly line of two value streams for commercial aircraft :

- Landing gear systems (campus n° 1),
- Wheels, brakes, and systems equipments (campus n° 2).

Management of maintenance, repair and overhaul activities for landing gear systems, wheels, brakes, and
systems equipments (campus n°3).
